Once arrived it will be possible to extend the trek visiting the "Path of Silence" a small open-air museum with 10 contemporary art installations remembering all world wars. From the area called Albi di Bosco Secco we continue to Mount Forno overcoming the Busa of Terremore. You will continue up north following direction for Bivio Italia up to where Galmarara Valley opens up the horizon to the north side of the Plateau. At junction Bivio Conrad you will descend along Corno di Campo Bianco leaving Rifugio Tre Fontane on the right until you reach the path CAI 830 that leads to Lodge Malga Galmarara, altitude 1600m asl. Total Climb: +856 m-815m Average Slope: +9.7 -10.4 Maximum +40.0 -43.0

Level of Difficulty: difficult

A nice trekking day to discover a wild area populated with plants and wild animals. It is possible in the morning with a little bit of luck to encounter some eagles and deers. The trail climbs gently alongside of Mount Arsenale and then down the spectacular Portule Valley, one of the most beautiful valley of the Altopiano Plateau, almost untouched, marked only by ruins left by the 1st World War. We are within an outdoor museum of endless dimensions. You can make a short detour to the site of Campogallina, one of the most interesting areas of the wider outdoor museum named "walk of peace."

The climb to the top of Mount Portule is richly rewarded with an opening horizon that allows the eye to admire some of the highest peaks of the plateau (Mount 12 and Mount Ortigara) and in addition the full view of the Eastern Alps (Dolomites).

You will then continue down to lodge Rifugio Larici where you will check in for dinner and accomodation.

DAY 4: From Rifugio Larici to Rifugio Campolongo

Distance: 13.5 km

Duration: 5/6H

Total Climb: +616m -511m Average Slope: +8.2 -7.8 Maximum +32.6 -27.9

Level of Difficulty: difficult

You will leave from Lodge Rifugio Larici in direction of Casare Dosso di Sopra and going uphill you will get into the "black trail", a trail that runs within a protected area, a natural oasis with many wildlife species. You will continue downhill until you reach the Val d'Assa Valley and then you will continue toward the direction of "Osteria al Termine". From there, the trek continues uphill of Monte Verena until you reach Malga Mandrielle and then to continue south along the smooth asphalt road to the lodge Rifugio Campolongo. Dinner and accomodation.

The next morning after a big breakfast there will be a guided hike to Forte Campolongo, one of the ruin of the Great War recently restored.

Around noon, transfer will be ready to take you to the Sporting Hotel in Asiago that will include SPA, dinner and final accomodation before the final check out.
